

## LEGACY

### Private Experience

The **Legacy Private Experience** begins at the Château with a brief history of **Santenay** and *Château de la Crée* founded in 1431 by Nicolas Rolin, Chancellor to Phillippe le Bon, Duke of Burgundy.

Following our captivating discussion, we head to our *Monopoly vineyard*, **Santenay - Clos du Château**. The vineyard is planted in both Pinot Noir and Chardonnay, with a total of 1.5 hectares, or 3.7 acres.

With a fabulous scenery as a backdrop the conversation steers to Burgundy classification, the influence of terroir with a geological focus, geography, and aspect. Our topic dives into the appellation of Santenay, *Château de la Crée* vineyards, and of course, viticulture.

Finally, the **LEGACY EXPERIENCE** takes us to our stunning 15th century vaulted cellar, where we savor and enjoy a lovely wine tasting of a selection of six *Château de la Crée* wines, led by one of our insightful experts.
