

SANTENAY IN-DEPTH

Private Experience

The **Santenay In-Depth Private Experience** begins with a captivating visit to the following four plots owned by *Château de la Créé* :

Monopoly Santenay - Clos de la Confrérie
Santenay 1er Cru - Clos Faubard
Santenay 1er Cru - Les Gravières
Santenay 1er Cru - Beauregard

A sense of total immersion takes place as we demystify Burgundy classification, *Santenay* appellation, and the historical and legendary **Château de la Créé**. Each plot possesses its unique terroir, and we discuss the impact it holds and how its elements can be savored in the glass.

All the while, tasting the vineyard's wine in their respective plots.

The **Santenay In-Depth Experience** concludes with a gathering and a tasting of two additional wines, led by one of our wine experts in the comfort of our stunning *15th Century* vaulted cellar.
