

COTE DE BEAUNE DISCOVERY

Private Experience

The **Côte de Beaune Discovery Private Experience** begins at an agreed upon meeting point in or near Beaune. We then drive south through the world famous “*Route des Grands Cru*” stopping at three of our vineyards along the way, tasting the wines from where they originated.

First, we take to the hills, and visit **Pommard - Les Petits Noizons**. And from the hilltop of the “*L’Avant -Dheune*” river valley, enjoy a breathtaking view of Pommard and Meursault.

Meursault, Puligny-Montrachet or Chassagne-Montrachet, are known as “*Golden Triangle*” villages. Next, we stop in one of these villages, visit our vineyard and taste its fabulous wines.

Further down the road **Santenay 1er Cru – Gravières** (with both Pinot Noir and Chardonnay plantings), occupies a southeast facing slope and is planted to Chardonnay at its highest elevation, and Pinot Noir at the lower end of the slope.

We therefore, upon our visit to *Les Gravières*, may taste either red or white wine.

A sense of total immersion takes place as we demystify Burgundy classification, and **Santenay** appellation.

Each plot possesses its own unique **Terroir**, and we discuss the impact it holds and how it can be savored in the glass, as we taste the vineyard’s wine in their respective plots.

The **Côte de Beaune Discovery Private Experience** concludes at le **Château de la Créé**, where we gather and a taste three additional wines in the comfort of our *15th century vaulted cellar*, led by one of our talented wine experts. In conclusion, guests are taken back to the original meeting point.

Duration: 3hrs

150 € per person for a selection of 6 wines
